Instructions

Read the words down the left side. If there's a ! also spell the word. Let players tick off matching letters on their ticket. When a player calls "Bingola", check their ticket agrees with the letters already called.

Check wins with summary tickets

Summary tickets show the letters previous called as of a certain turn. Check a claimed win by comparing the player's ticket with the summary ticket, plus any recent letters up to the last word called.

For example if "Bingola" is called on turn 15, check summary ticket 12 plus the letters on turns 13 to 15.
